Subject: RE: BS3C Cost Estimate

Eric,

Not really, the costs were just estimates based on other similar projects for a RCRA-type cover.

Pete, do you have the design parameters they used (i.e. type/thickness of geomembrane, thickness of layers, etc.) for the cap? I suppose I could reverse engineer them, but just checking if it's readily available.

Thanks

-Eric Petersen

Eric,

As requested the costs associated with BS3C. Let me know if you have any questions.
